## Quimico: Your One-Stop Shop for Natural Ingredients

Quimico, a division of Vigor India., is a premier herbal and nutraceutical company based in Bangalore, India. We are committed to offering premium natural solutions for both human and animal health. As a one-stop shop, we cater to businesses across the herbal, nutraceutical, cosmeceutical, and veterinary industries, serving clients both domestically and internationally.

### Our Offerings

- **Premium Herbal Extracts:** We produce a wide range of high-quality herbal extracts by combining traditional methods with advanced technology to concentrate the active components of plants.
- **Nutraceutical Ingredients:** Our comprehensive selection of nutraceutical ingredients is ideal for creating innovative and effective dietary supplements.
- **Essential Oils:** Our pure essential oils are designed to meet the needs of the cosmeceutical and aromatherapy industries.
- **Oleoresins:** We offer high-quality oleoresins, which are concentrated plant extracts that capture the essential oils and resinous fractions, widely used in food flavoring, cosmetics, and pharmaceuticals.
- **Herbal Powders:** Our herbal powders are finely ground and carefully processed to preserve the natural benefits of the plants, suitable for use in various health and wellness products.
- **Natural Colors:** We provide a range of natural colors derived from plants, offering a safe and vibrant alternative for food, cosmetics, and other applications.

### Our Commitment at Quimico India

**Quality:** We prioritize rigorous quality control throughout the manufacturing process to ensure the safety, efficacy, and consistency of our products.

**Innovation:** Our team of experts continuously researches and develops new and improved natural health solutions.

**Sustainability:** We responsibly source our raw materials and employ eco-friendly practices whenever possible.

**Contact Us:** We invite you to explore the full potential of natural wellness with Quimico.
